BOB KNIGHT

Synonymous with greatness and winning, his coaching records and achievements set the standards for college basketball. One of the great teachers and innovators of the game, he has been a head coach at the collegiate level for 35 years. His teams have won over 750 games and in 1991 he was inducted into the Basketball Hall of Fame. In addition, he has had 27 assistant coaches and players become head coaches and has graduated an astounding 98% of his players during his career. Called by many the best clinician ever to speak and he and Coach Newell will share the stage together for their appearance in Reno.

BEN HOWLAND

Just completing his first year at the helm of college basketball's most storied program, Coach Howland had previously coached at the Univ. of Pittsburg and Northern Arizona Univ. At both schools he lead them from last place to conference championships and NCAA appearances. His last 2 seasons at Pitt they won 57 games and advanced to the Sweet Sixteen and his last 2 seasons at NAU they won the Big Sky Conference and went to the NIT and the NCAA tournaments. A 2 time all league guard at Weber State, he played professionally in Europe and was an assistant for 13 years at Gonzaga and Santa Barbara. He is regarded as one of the top defensive coaches in the country and that's why his teams win.

PETE NEWELL

Coach Newell has contributed to the game of basketball for over 50 years at every level and around the world. He has lead teams to NCAA and NIT Championships and a Gold Medal in the 1960 Olympic games. His clinic and consulting resume is world wide and he is recognized as one of the greatest teachers and ambassadors of the game of basketball.
